## PORTUGAL

GMT +1

Population 10,642,836

Languages Portuguese

Electricity 230V 50Hz; round two-pin plugs

Two public and two commercial TV channels are available terrestrially nationwide.

Another 19 Portuguese channels and 22 foreign channels targeting Portugal are available on cable and satellite.

Public broadcaster RTP operates two international channels, RTP-Internacional (RTPi) available worldwide, and RTP Africa, broadcasting terrestrially and via satellite to viewers in Lusophone Africa.

Some 700 radio stations are operating in the country, but only a dozen are available nationally. Public broadcaster's international station RDP Internacional broadcasts via shortwave, satellite and the Internet.

RSF press freedom ranking: 10
